Attending Church

- ✚ One of the goals of confirmation class is practicing to be a disciple of Christ and to be a member of his church. In our Sunday services young and old people gather together to worship God and to learn more about what it means to follow Jesus. We ask the **confirmands to attend our services** at least twice a month.

Other activities

- ✚ The **Bake Sale** on every fourth Sunday of a month serves as a fundraiser for the work with Children and Youth in our church. We expect the confirmands and their parents to support and help with the Bake Sale. A schedule will be provided to organize the Bake Sale.
- ✚ Some “extracurricular” activities are planned but not scheduled so far: visits at the Union Gospel Mission, the German Canadian Care Home, and other places – as well some kind of retreat or time together next year.

What is needed?

- ✚ For the confirmation class each student needs: writing supplies, a folder and a bible.
